WELL, YOU WERE COMPLAINING THAT TIME THEY REALLY STARTED COMING DOWN

EVERYTHING THAT'S HAPPENED UNTIL NOW
FEELS LIKE IT WAS SO LONG AGO.

後記
-Postscript-

My name is Aki Eda.

Thanks for picking up this little book.

Starting in the July volume of ComicREX,
I'll be working on ZUN's comic
"Touhou Bougetsushou" as the artist.

Around the time this was decided, we had this
interesting idea to release something like a "demo"
for it around Reitaisai, and so things progressed
until now.

I wanted to fit all the characters into that montage,
but I ran out of time... orz.
It'd be silly to work so hard just to miss the
deadline, so I hope you'll understand this time.
...I wanted to put more time into the tones,
as well, but...

Anyway, I hope you all enjoy this.
